FIELD NOTES:

The very old man who lives at 3220 W. Thrasher Road (I believe his name is Mr. Thrasher), told me that Ray Graham surveyed his place a long time ago. He said that Lee Utt later surveyed the property to the west and set a line stake for him to build his north/south fence off of. He also told me that "some surveyor" told him there should be a stone at Clear Creek A17. He said that the surveyor hunted and hunted, but never could find the stone. He (Mr. Thrasher) rode his lawn tractor over to take a look at the 4"x4" cut stone shown on the attached sheet as Witness Monument Tie "C". He didn't remember it always being there. He thought that maybe the west adjoiner had put it in. - Rachel Oser 3/16/2017
